Matt Alley, McCook Central School Supt, Lonny Johnson, Montrose School Supt, Zach Campbell, Canistota School Supt, and Jason Bailey, Bridgewater/Emery School Supt, met with the Commissioners to discuss future of having a School Resource Officer/s in the school districts. Mark Norris, Sheriff, Mike Fink, States Attorney, Becky Hoiten, Deputy Auditor, and Anna Flogstad were present. Auditor Sherman read an email received from the B/E Business Manager which stated that the school district will not be able to participate in this program for the 2025-2026 school year due to the possibility of the loss of Federal funding and the mandated teacher salaries now in place. Supt Bailey: the input from the Business Manager doesn't mean that B/E is out but we feel there need to be changes to the program. Supt Johnson: noted agreement with changes need to be made. Need to build relationships with students, does 1 day really make a difference? Sheriff Norris: 30 years ago, cops in schools was unheard of, and now.... DARE has made a difference. I've found that some officers aren't a good fit. Currently, I'm planning on sending Deputy Anna Misar and Deputy Kim Berry to SRO training. The County has a huge investment in the officers but can only do so much. Supt Alley: agree that we need to build relationships, if the days go down, then what? Education is a priority for us. Sheriff Norris asked if we could keep things status quo for

the next school year? Supt Campbell: are we looking at having one or two SROs? Feel there should be some expectations of an SRO, or guidelines, are they in the lunchroom, in the halls, greeting kids as they come into the school. Can the school have expectations? The SRO program is a valuable resource and there should be accountability, with an evaluation at the end of a school year and these should be the same for each school district. Mehlbrech suggested that Sheriff Norris, Deputy Misar, and the superintendents get together to develop a list of expectations/guidelines for the two SROs and provide it at the next meeting. Supt Bailey: what's the role as Deputy Sheriff vs School Resource Officer. After discussion, it was agreed that the Superintendents can attend the June 24th Commission meeting at 11:00 a.m.

Comm Dick left the meeting at this time.

Auditor Sherman presented the SEFP 2025 Annual Report to the Board; this will be noted and filed.

The following Township Bonds have been filed with the Auditor's Office: CLERKS: Mark Miles, Ramsey; Norman Peterson, Brookfield; Richard Wobig, Sun Prairie; Heather Bork, Pearl; Roland Loudenburg, Benton; Mark Eickman, Salem; Ken Krouse, Richland; John Smith, Montrose; Katrina Zimmer, Montrose; Jeff Scott, Greenland; Dustin Addy, Canistota; Jerome Tschetter, Emery; Brian Thrift, Jefferson; Lonnie Glanzer, Bridgewater; Kalyn Buse, Union; Mary Dick, Grant; Spring Valley. TREASURERS: Barb Kipp, Ramsey; Ted Anderson, Brookfield; Tim Matthaei, Sun Prairie; Amelia Matthaei, Benton; Pat Gottlob, Salem; Mary Nelson, Richland; Katrina Zimmer, Montrose; Karen Hofer, Greenland; Gary Parry, Canistota; Thomas Kolbeck, Emery; Vernon Hofer, Jefferson; Robin Hofer, Bridgewater; Michael Weber, Union; Steve Richarz, Grant; Donita Davis, Spring Valley. The bond for the Pearl Twp Treasurer has not been filed.

Motion Heumiller to enter Executive Session at 11:50 a.m. for personnel discussion, SDCL 1-25-2 (1). Auditor Sherman was present. Second Liesinger. Motion carried. Chairman Mehlbrech declared out of Executive Session at 12:00 p.m.

At this time, the school Superintendents and Sheriff Norris rejoined the meeting, having had more discussion after leaving the Commission meeting earlier. It was noted that the Superintendents have decided that they will work with one (1) School Resource Officer as follows: Canistota School District 2 days, McCook Central School District 2 days, Montrose School District ½ day, and Bridgewater/Emery School District ½ day. Sheriff Norris stated that this is too hard for one officer. It was noted that the Superintendents feel this is where they're at and this allows some budget flexibility. They will have uniform expectations/guidelines to present to the Commission at the June 24th meeting.

At 12:20 p.m., Sheriff Norris asked for an Executive Session to discuss personnel concerns, per SDCL 1-25-2 (1). Motion Liesinger to enter Executive Session at 12:20 p.m. for personnel discussion. Sheriff Norris and Auditor Sherman were present. Second Heumiller. Motion carried. Chairman Mehlbrech declared out of Executive Session at 12:30 p.m.

The meeting adjourned subject to call.
